

Paul H. Scherlie, Jr.

DVM, Diplomate ACVO

Dr. Scherlie attended the University of California at Davis School of Veterinary Medicine as a Regent's Scholar, graduating in 1985. After three years in general practice, he attended New York State College of Veterinary Medicine at Cornell University for three years of residency training in veterinary ophthalmology. Dr. Scherlie served as the staff ophthalmologist for the Angell Memorial Animal Hospital in Boston, and became board certified in 1992. He joined Northwest Veterinary Specialists in 1993.

Dr. Scherlie has a special interest in intraocular surgery, including cataract surgery with intraocular lens replacement, laser therapy for glaucoma and corneal grafting. His other interests include corneal disease and equine ophthalmology.

Michelle M. Taylor

DVM, Diplomate, ACVO

Dr. Taylor attended the Western College of Veterinary Medicine in Saskatchewan, Canada, graduating in 1989. After a one-year internship in small animal medicine and surgery at New York State College of

Veterinary Medicine at Cornell University, she returned to Canada for a one-year rotation in the Western College of Veterinary Medicine's internal medicine department. In 1994 Dr. Taylor completed a three year residency in veterinary ophthalmology at Cornell University. She became board certified that same year. Dr. Taylor joined NWVS in 2001.

Dr. Taylor has a special interest in diseases and surgery of the cornea.
